

Central Hudson Gas & Electric Corporation **Shared Facilities**

Central Hudson's Corporate Headquarters
284 South Avenue
Poughkeepsie, New York 12601

- Central Hudson's Transmission System Operations (Transmission Function) and Energy Resources (Marketing Function) divisions are located on the Corporate Headquarters property.
- Each of these divisions is located in physically separate buildings.
- The Transmission Function System Operations area is access-restricted.
- The Central Hudson Energy Management System is shared by both Transmission System Operations and Energy Resources. The Energy Resources' employees are restricted by computer software to data related to Central Hudson's Transmission Functions.
