<p>All <u>Transmission Outage Request Forms</u> shall be submitted to System Operations within the time frames indicated in the <u>Central Hudson Outage Scheduling Guidelines</u> utilizing the following email address: ch.outage.coord@cenhud.com</p> <p>The request form template and guidelines indicated above are located in the System Operations Homepage on the Central Hudson intranet.</p> <p><u>Central Hudson System Operations shall be the only area to:</u> 1 - Communicate and coordinate all Transmission Outage Requests with the NYISO and other Transmission Owners / Transmission Operators if applicable.</p> <p style="padding-left: 40px;">2 - Coordinate Transmission Outage Requests with Generator Operators ONLY if expected to impact generation (e.g. maximum generation limit). NO Transmission facility designations shall be provided to Generator Operators; only date and time of expected impact. Additional information may be provided to Generator Operators ONLY following approval and posting of Transmission Outage Request.</p> <p style="padding-left: 40px;">3 - Forward an Outage Notification notice to all interested parties following approval and posting (if applicable) of Transmission Outage Request.</p> <p>This document may be subject to the FERC Standards of Conduct, and if so is intended for the exclusive use by Central Hudson employees performing electric transmission and reliability services, their supervisors, and persons specifically authorized to receive it. The information shall not be shared with employees of Central Hudson who purchase or sell electric energy or natural gas, nor anyone who is not a Central Hudson employee, and this document shall not to be forwarded to any such person.</p>
