

Matt Guthrie
Gas Supervisor
Gas Operations – Capital Construction

Please join us for an open-house informational session hosted by Central Hudson on September 9 at the City of Poughkeepsie Public Safety Building, located at 505 Main Street, from 6:00 p.m. to 7:00 p.m.

August 24, 2026

Dear Central Hudson Customer,

In an effort to improve the safety, reliability, and performance of the natural gas distribution system, Central Hudson is undertaking a comprehensive natural gas main and service replacement program in select communities throughout the Mid-Hudson Valley to address and modernize aging infrastructure.

As part of this improvement initiative, Central Hudson will be investing in the natural gas system in your neighborhood by replacing the main lines in the street and service lines that connect to individual homes and businesses. Central Hudson is working with our construction partner, J. Mullen & Sons Inc., to install these new natural gas distribution mains and services.

Replacement of approximately 3,720 feet of gas lines in the City of Poughkeepsie is formally set to begin in September and the project is estimated to take three months to complete, pending favorable weather conditions. Construction trenching will occur along:

- Fountain Brook Ave.
- Hooker Ave., between Parkwood Blvd. and S. Grand Ave.
- Meyer Ave., between Hooker Ave. and Fountain Brook Ave.
- Willow Ave.
- Wilson Blvd.

If your service line is affected, J. Mullen & Sons will contact you to schedule an appointment for its replacement. Please note that this project may involve visits from multiple Central Hudson employees and authorized contractors before and during construction, even if your service line will not be affected. Some work will require access both inside and outside your home or business. Natural gas meters currently located indoors will be relocated by Central Hudson or one of our authorized contractors to an outdoor location to improve future access for utility personnel. For

your security, all Central Hudson employees and contractors carry and display identification badges. If you have any questions regarding personnel working on this project, please contact the Project Supervisor listed in this letter.

Any disruptions to your property will be restored by our crews or our professional landscape and paving contractors. If you do not own the home or property, please refer all decisions concerning this work to the property owner.

Central Hudson is working closely with your municipal officials in planning this work, such as coordination with paving, restoration, and other planned infrastructure projects. In addition, ***we invite you to attend an open house informational session*** hosted by Central Hudson at the City of Poughkeepsie Public Safety Building, located at 505 Main Street, Poughkeepsie on September 9, from 6:00 p.m. to 7:00 p.m. There, we will be glad to provide additional information about the project and address questions you or your neighbors may have.

If you have any questions about this activity, please do not hesitate to contact me at (845) 235-2924. ***For more information about this important initiative and to view weekly updates for each project, visit CenHud.com/GasProjects or scan the QR code below.***

Sincerely,

Matt Guthrie
