

ESCO Portal

Once the new portal is live, the new link will be: <https://www.cenhud.com/esco/portal>

The old link will redirect users to the new link.

The ESCO portal will require new ids and passwords that are user specific. If you have not yet received a verification email for access to the new portal please contact retailaccess@cenhud.com and provide the email address the account should be set up with and the ESCO's the email should be associated with.

During the EDI blackout period stated in the EDI information document, the ESCO Portal will be in view only mode. The reports will still be available however, price/rate changes, bill message updates and contact info updates will be unavailable.
