General Terms and Conditions

1. Equipment and services must be purchased Jan. 1, 2025, through Dec. 31, 2025. Rebate payments will be based on the equipment purchase date.

2. These heat pump water heater rebates are exclusively available to residential or commercial electric customers of Central Hudson.

3. It is the responsibility of the customer to ensure that all requirements for the rebate are met and that all required documentation is provided.

4. Failure to provide any of the required information will prevent processing of the application.

5. The customer understands that he or she may be contacted in the future by Central Hudson or its designee to evaluate his or her experience with this program via survey or questionnaire to provide feedback, and to verify installation through an on-site inspection. Program procedures, requirements and rebate levels are subject to change or cancellation without notice.

6. One rebate check will be issued to the customer for each approved and completed application. Limited to one rebate per account per year.
7. The customer verifies that he or she has not received any other incentives from any state programs for the same equipment for which a rebate is being requested in this form.

8. Central Hudson assumes no responsibility for the performance of the equipment and equipment warranty, the quality of the work, labor and/or materials supplied.

9. Information Sharing with NYSDPS and NYSERDA: Customer of Central Hudson agrees and authorizes the utility's sharing of the participant-customer's information and/or project-level information with New York State Department of Public Service Staff and NYSERDA, including its agents or authorized representatives, consistent with NYSERDA's New York State Public Service Commission and statutorily authorized responsibilities, including, but not limited to supporting market development initiatives, and other evaluation and measurement activities. (For clarity, the term project level includes the information based on the scope of the project, including, but not limited to, aggregated and anonymized whole building, building or subsets of the project.)

By submitting this application, the customer agrees to the terms and conditions of this document. The customer hereby consents to the utilization and release of his or her energy consumption data and usage by Central Hudson and/or its designees, including program administrators and evaluation contractors. These administrators and contractors are obligated to Central Hudson to keep customer information confidential. The release and usage of data will be only for program evaluation, program eligibility determination, energy savings purposes and analysis and will be kept confidential.
