

**OPERATOR QUALIFICATIONS PROGRAM FOR CONTRACTORS - 49 CFR Part 192, Subpart N**

In order to perform on-site work for this Central Hudson project, the Contractor must comply with the Federal DOT Regulations 49 CFR Part 192, Subpart N, as well as any subsequent revisions. This regulation requires the Contractor, or any Subcontractors, to submit a Certificate of Qualification for the following covered tasks to be performed by the Contractors' or Subcontractors' employees.

The Contractor shall allow Central Hudson Gas & Electric Corporation, the Administrator, and a representative of New York State Department of Public Service, access to property and records.

Failure to comply with Federal DOT Regulations 49 CFR Part 192, Subpart N shall cause the Contractor to be removed from Central Hudson's bidder list for future projects, as well as potential termination of existing project.
